Closing the Gaps in Women's Health: An Interdisciplinary Conference

CALL FOR PODIUM & POSTER ABSTRACTS

The Alabama Office of Women's Health is pleased to announce its call for podium and poster abstracts for the Tenth Annual Women's Health Update to be held on Friday, August 4, 2017, 8 a.m. until 4 p.m. at the Bruno Conference Center in Birmingham, Alabama. This year's theme is Closing the Gaps in Women's Health: An Interdisciplinary Conference. Abstracts must be received on or before May 30, 2017. Applicants will be notified of acceptance by June 10, 2017.

The Tenth Annual Women's Health Update is a continuing education offering for registered nurses, nurse practitioners, pharmacists, social workers, dietitians, and other health care providers. The purpose of the conference is to disseminate scholarly work that is aimed at improving the health status of all women. Topics related to cardiovascular health, diabetes, weight management, nutrition, complementary and alternative medicine, preconception care, mental health issues, community involvement, and health policy are particularly timely.

Objectives for the Women's Health Update

- Provide a venue for scholars to share their latest projects and research findings.
- Advance interprofessional collaboration related to health promotion and evidence-based practice.
- Address local, national, and global trends for best practices for women across the life course.

Abstract

The abstract should include three learning objectives and be typed using a 12-point Calibri font, single-spaced with double spaces between paragraphs, indentation of the first line of each paragraph, and 1" margins. There is a limit of 500 words. The title should be centered on the first line with name of the investigator(s) and institution(s) centered on the next line. Submit only one page (8 ½ x 11) with the following information as applicable:

- Learning objectives.
- Statement of the topic and or purpose of the project.

- Literature review, clinical practice guidelines, and/or theoretical framework.
- Methodology, sample, setting, procedure, instrument, data analysis (if applicable).
- Findings, results, outcomes, or project impact.
- Recommendations for practice.

Curriculum Vitae

A current copy of the applicant's curriculum vitae should accompany the abstract submission.

Instructions for Podium Presentations

If the abstract is selected for a podium presentation, the Alabama Office of Women's Health will provide specific information related to the presentation, including number of attendees, audiovisual needs, handouts, etc.

Instructions for Poster Presentations
